The Canadian Electric Boat Company invite you to delight yourselves riding on the water alone, with family or with friends. Experience deep tranquility observing the scenery and notice it's beneficial contribution to peaceful moments.

Imagine yourself riding your high end Mahogany or Permateek finish classic electric boat by a marvellous bright shiny day on a waveless lake... Let peaceful feelings win you while admiring all the greatness nature has to offer.

CEBC's boats are real jewels. Our attention to detail and care for quality added to our material choices such as Teak or Mahogany secures an unrivalled place to our boats in the higher spectrum of the market and we boast to be sitting in a truly affordable price bracket. No other electric boat manufacturer offers such technology and refined features.
