

QUIET.
ELECTRIC.
ECOLOGICAL.

Introducing the Gamo-X, a zero-emission mobile power unit for municipal maintenance works.

Why Gamo-X?

ZERO EMISSIONS

A fully electric power source, the Gamo-X can save you up to 30t in CO2 emissions per year.

100% ELECTRIC

No more idling. No more waste. The Gamo-X consumes zero fuel while operating, saving you money.

QUIET OPERATION

Unlike loud diesel motors, our electric system runs quietly. Conduct your projects in ease and comfort.

Who We Are

We are a fast-growing company committed to bringing zero-emissions power solutions to municipal works. All of our products are proudly made in Canada.

 Gamotech

40kWh
Lithium-Ion
Batteries

120 and 240
VAC Outlets

Level 2
J-1772
Charging
Options

150 psi, 70 CFM
Pneumatic
Power

2000 psi, 12
GPM Hydraulic
Power

12 and 24 V
Engine
Booster

Technical Specifications

Battery System

| | |
|---------------------------|-----------------|
| Primary Battery Voltage | 144 VDC |
| Secondary Battery Voltage | 12 VDC |
| Temperature Range | -20 °C to 50 °C |

Charging Interface

| | |
|--------------------|-----------|
| Standard Interface | SAE J1772 |
|--------------------|-----------|

Pneumatic Power

| | |
|------------------|---------|
| Nominal Pressure | 150 psi |
| Max Output Flow | 70 CFM |

Dual Hydraulic Power

| | |
|---------------------|-------------------------|
| Variable Flow | 0-8 GPM and/or 0-12 GPM |
| Max Output Pressure | 2000 psi |
