ECOSYSTEM RESTORATION AND CONSERVATION

OUR ENVIRONMENT OUR LIFE

We are committed to a sustainable future and to improving the social, economic and environmental well being of the community.

ABOUT US

Our company is Kenya's leading eco-logical magazine(digital publication) providing positive and practical steps to cleaner living. This is done through maintaining environment as the nature's basic requirement for human survival.

We advocate for a pollution free environment, nature conservation and restoration, mostly emphasizing on the need to maintain a healthy ecosystem for the well being of humans and all the living things.

This is incorporated in our daily lifestyle.

Loyah Green African Digital Platform signifies a new era in publishing in Africa extending to the rest of the world.

unlike the characteristic traditional mass printing of magazines and newspapers that is harmful to our environment.

Loyah Green Digital Publications delivers Eco friendly platform for environment Conservation trends
