# OPTIMIZE LAST-MILE PICKUP/DELIVERY OPERATIONS WITH OPTIYOL.

**FUEL COSTS**

**15-25%**
**FLEET SIZE**

**5-10%**
**ON-TIME VISITS**

**20-30%**

Optiyol is a next-generation approach to last-mile transportation optimization that integrates driver preferences, business strategies, variability of demand and traffic to create both efficient and practical route plans autonomously.
