

Ecoport 800 - plug and play battery charger

Remote Monitoring

- › Cloud based KPI reporting
- › Preventive maintenance
- › Remote asset management
- › Refueling and service alerts
- › Web Access, Win, Mac, iOS, Android

Control Panel

- › Touchscreen operation
- › Remote connectivity via mobile networks
- › Quick configuration

Methanol Fuel

- › 35 % efficiency
- › 0.6 l/kWh only
- › Low-cost IMPCA standard Methanol

Battery

- › Charges Li-Ion, Lead Acid, and all other batteries
- › 24 V ETSI standard range

Air inlet

Methanol Fuel

Digital I/Os

- › Customizable interface

Exhaust

- › No particles or NOx
- › 35 dB whisper silent

Methanol fuel Cell

- › Internationally patented
- › CE certified
- › 70 % lower fuel cost
- › 99 % less emissions
- › No noise, no thermal signature
- › Operating range -20°C bis +50°C
